We welcome you to TARKARLI,

In the womb of nature!
What’s Malvan all about?

In 1667, The Great Maratha King, Chatrapati Shivaji Maharaj blessed this land with a Jaladurga (cannorg) named as ‘Sindhudurga’.

The district has been thus named after the name of fort.

Named after the salt manufacturing in ancient times, the land has been honored with abundant resources.

The fertile soil has given the locals, famously known as ‘Kokanis’, their basic livelihood through the production of Mangoes, Cashews and Spices.

In 720 km elongated sea boundary of Maharashtra, Malvan becomes the perfect holiday destination with beautiful and clean beaches of Tarkarli, Devabg, Chivala, Bhogve to name a few.

Area around Malvan, i.e. Vengurla, Devgad, Sawantwadi etc. have their own surreal beauty surrounded by lakes, wooden toys, local arts, local food etc.

Jam-packed with flora, breath taking views and hospitality of locals, Malvan stands out over so many other destinations available for a long/short vacation!

Dos and Don’ts

⚠️ Watch a beautiful sunset at the Rock garden, click lots of photos, and calm your mind with a whiff of fresh salty air. Avoid entering the sea, one slip can cost you life!

⚠️ Before going into the sea, always take an opinion of hotel staff as well as the locals about the sea currents since its pulls are fatal.

⚠️ Dip! Not Deep. Swimming in a lake/river and in a sea is completely different so avoid going deep.

⚠️ Live the beach life, drink coconut water, eat chips and local food but strictly avoid littering. Help us in keeping Malvan clean.

⚠️ We at Zantye Hotels will keep your valuables safe, so kindly hand them over at reception locker and take a receipt for the same.

⚠️ Places like these are best enjoyed through your eyes and not a camera lens. Avoid those phones as much as possible!
